APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This Permit is issued subject to all prior rights. It is understood that the 0.3 cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.3 cubic feet per second:

Actual construction work shall begin on or before April 1, 1930

Proof of commencement of work shall be filed before May 1, 1930

Work must be prosecuted with reasonable diligence and be completed on or before April 1, 1931

Proof of completion of work shall be filed before May 1, 1931

Application of water to beneficial use shall be made on or before

September 1, 1932 Proof of the application of water to beneficial use must be filed with State Engineer on or before October 1, 1932

Map Filed Sept. 10, 1929

WITNESS MY HAND AND SEAL this 27th day of December, 1929

Cancelled 12-23-31 because of failure of applicant to comply with provisions of permit
